**RE: Intent to Award
Biosolids Handling Services, RFP Dated July 27, 2011**

The City received a total of four proposals. The four proposers that responded to the request for proposal invitation and have been ranked by the City; Synagro West LLC., American Process Group Inc., JND Thomas Co. Inc. and Anderson Environmental Contracting LLC.

The proposal submitted by Synagro West LLC best represents the firm that would provide the required services in the manner most beneficial to the city. I intend to recommend contract award to the City Council at their regularly scheduled meeting of August 22, 2011.

The city appreciates all the efforts each proposer put into the preparation of the proposals and thank you for the interest in the project. If you have any questions please don't hesitate to contact me at 503-982-5249.

Dan Brown, PE
Public Works Director
City of Woodburn
